Week 1-Dr Seuss

June 12-16

We are off to great places! Today is our day! Our mountain is waiting, so...let's get on our way! All the things we learn this week, lots of reading and fun to seek. Oh come join me and see all the wonderful things we can be.

Week 2-What's the Weather

June 26-30

This week's forecast is "Cloudy with a chance of Meatballs" and we need our little meteorologists on call! The forecast also calls for some windy weather crafts, stormy science for little learners and blizzard books that are sure to impress!

Week 3-Summer Science

July 17-21

Climb aboard "the magic school bus" my young scientists! This week will be fun, come see what we do. We plant seeds, make flubber and learn something new. Science is so cool and we love fun in the sun. We learn so much when the week is done!

Week 4-Under the Sea, You & Me

July 31-Aug 4

I will be so sad to "sea" you leave, but this week will be filled with ocean creatures and activities I believe. "The Rainbow Fish", "Clumsy Crab", and "Mister Seahorse" will be around. We are sure to have the best ocean in town.
