EXPRESS YOURSELF

Kids Express / YMCA Child Care

The Wapakoneta Family YMCA prides itself on providing a fun, caring and safe environment to children of all ages. By becoming involved in our school age programs, your child will experience all the fun and exciting things that are important to children their age while being built into the strong, caring and responsible adults of tomorrow.

Before-School Care

Our before school program opens at 6:00 am. Students will spend the morning visiting a variety of activity stations including arts and crafts, board games and the quiet corner. A breakfast station will be open until 7:00 am. Parents must supply their own breakfast. Students will then be transported to school by the Wapakoneta City Schools at approximately 7:00 am for the Middle School and 7:30 am for the elementary school.

School Delays

Our before school program is available on an as needed basis for school delays.

* Pre-registration is required for before-school, after-school, and school delays.

After-School Care

Students are picked up by the YMCA bus at Wapakoneta and Cridersville Elementary Schools, Wapakoneta Middle School and transported to the YMCA directly after school. Our afternoon begins with attendance, a healthy snack and playtime in the gym or on the playground. At 4:00 pm the children move to their homework areas, where the counselors help them with homework. At 5:00 pm the children move to our activity period which may include games in the gym or on the playground, swimming and/or board games. The program runs until 6:00 pm.

Certified Staff

All of our staff is certified in CPR, AED, First Aid, Communicable Diseases and Child Abuse Prevention. In addition, all staff complete another 6 hours of childcare related courses annually.
